A special congratulations to Edward Barnes, Lawrence Diehl, and Michael HuYoung for their inclusion in the Virginia Lawyers Weekly Hall of Fame.

We, at Barnes & Diehl, are here to help you deal with changes in your life, regarding family law and divorce, adoption, child custody and visitation, child support, and other issues all the way through estate planning and all of the major events or changes in your life.

Whether the change is your choice or beyond your control, we can assist you with respect to matters involving family law, elder law, and estate planning. We have lawyers who handle criminal matters, divorce cases, complex equitable distribution; premarital agreements and post marital agreements. We practice in all courts in Virginia including appellate work in all appellate courts.

Our two offices are designed to protect you and our staff regarding the Covid 19 virus. We meet with clients in person with appropriate safeguards, over the phone, and via Zoom.

We are here to assist you, advise you and otherwise walk with you through changes in all aspects of your life and the life of your family.
